

Podiatry Position: Build Amazing Lives from the Feet Up

Are you a podiatrist who wants to do **more than churn through 20-minute appointments?**

Do you love helping people live their best lives, not just “get by”?

Then this might be the perfect role for you.

At Complete Podiatry, everything we do begins with our purpose:

To help build amazing lives from the feet up.

We are a thriving private podiatry clinic in Aldgate, Adelaide Hills, known for our commitment to excellent client care, cutting-edge technology, and a culture that supports podiatrists to **be their best**, every day.

Why Work With Us

- **Structured 15-week induction program** designed to help you thrive in private practice.
- **Comprehensive mentorship and support** from experienced podiatrists (35+ years' experience in biomechanics and musculoskeletal care).
- A client demographic that values their health and invests in it.
- Extended consultation times (30–60 mins) so you can provide real care, not rushed care.
- Access to the latest technology, including 3D digital scanning, shockwave therapy, SWIFT wart treatment, Lunula laser, Onyfix nail bracing and more.

- Flexible work structure, because work-life balance matters.
 - **Above-award salary** starting from \$85,000 (including super) with a clear pathway to earn more through high performance.
 - Birthday leave 🎉, because you matter too.
 - Work within a strong local referral network (physios, EPs, surgeons, osteopaths, dietitians) to obtain better client outcomes.
-

Our Values Are How We Show Up Every Day

At Complete Podiatry, culture isn't a buzzword; it's how we work together:

- **Team – Client – Community | Stronger Together**
We thrive through support, respect, and shared success.
- **Be Awesome Every Day | Pursue Excellence**
We go beyond good enough: every client, every task, every time.
- **Be the Trusted Advisor | Lead with Honesty and Impact**
We do what's best for clients and communicate with clarity.
- **Find a Better Way | Solve Smart, Grow Always**
We challenge the status quo, think creatively, and act with purpose.

If these values resonate with you, you'll feel at home here.

Your Role

- Provide high-quality, evidence-based podiatry care.
- Build strong relationships with clients and our community.
- Work collaboratively with your colleagues and referral partners.

- Continuously grow your clinical and professional skills through mentorship, CPD, and hands-on experience.
 - Be part of a team that celebrates wins, learns together, and holds each other to a high standard.
-

Who We're Looking For

- A podiatrist (new graduate or experienced) who's **keen to learn and grow**.
 - Someone who brings **empathy, energy and curiosity** to their work.
 - A great communicator who values teamwork.
 - A clinician who wants a career with impact, not just a job.
-

About Us

Complete Podiatry has grown from a solo practitioner in a rented GP room into a trusted, independent clinic that's part of the Adelaide Hills community. We're here to create a workplace where podiatrists love coming to work, and clients love coming for care.
