

Podiatrist

Permanent Position

Full-Time or Part-Time

16–38 hrs / week

\$90,000–\$120,000 + Super

No Weekend Work

Toorak, Melbourne

We're looking for a podiatrist who genuinely loves what they do — someone who thrives in a collaborative team, embraces the full breadth of podiatric practice, and finds deep satisfaction in making a real difference to their patients' lives.

THE ROLE

SALARY GUIDE

\$90,000 – \$120,000

SUPERANNUATION

12%

HOURS PER WEEK

16 – 38 hrs

EMPLOYMENT TYPE

Permanent

Minimum 2 days per week; we prefer 3–5 days. Monday and Friday are required working days, with flexibility across additional days. No weekend work required.

WHO YOU ARE

- Collaborative by nature — you enjoy discussing management plans and contributing to shared patient outcomes in a supportive team
- Mature and communicative, with warm rapport-building skills across colleagues and patients of all ages
- Genuinely positive about podiatry as a profession — your enthusiasm is contagious
- Kind-hearted and values-aligned with a team that cares deeply about the people it works with
- Invested in building long-term patient relationships — from grandparents and parents to children
- Confident managing needle anxiety and working with children requiring nail procedures
- Comfortable with high-risk foot care, complex wound management, and diabetes assessments
- Energised by musculoskeletal challenges and supporting athletes through their recovery journey

WHAT YOU'LL DO

General treatments — ingrown toenails, thickened & fungal nails, corns & callus	Nail surgery with confident patient management	Challenging wart management	High-risk foot & complex wound care
Diabetes assessments	Musculoskeletal & sports podiatry	Paediatric podiatry	Endorsement for scheduled medicines

This role suits an experienced podiatrist, though we warmly welcome applications from new or soon-to-graduate podiatrists ready for a supported start in a broad-scope environment.

WHAT WE PROVIDE

You'll be surrounded by a strong, experienced team with genuinely broad expertise:

Endorsed Podiatrists High-Risk Foot Specialists Sports Podiatrists Podiatric Surgeon
Dermatology Specialist Podiatrist

- ✦ Paid time at end of each day to complete clinical notes, with AI-assisted note-taking and letter writing
- ✦ Supervision and mentoring available as needed
- ✦ Supported to pursue and develop a special clinical interest
- ✦ Encouraged and supported to pursue endorsement for scheduled medicines
- ✦ Continuing professional development — in-house and external, including CPR and first aid
- ✦ Networking opportunities with local allied health and medical professionals
- ✦ Fully supported administrative team so you can focus on clinical care

EQUIPMENT & TECHNOLOGY
