

Next Step In Modern Podiatry

Hinkler Podiatry is looking for a motivated podiatrist who wants to advance themselves and the profession. Are you dedicated to achieving excellent patient outcomes and ongoing improvement and professional development?

Our accredited practice has a reputation for honesty, integrity and quality, offering the latest 2D and 3D gait analysis technology, high-speed cameras integrated with a pressure distribution treadmill in a fully equipped biomechanics lab. We use only the best diagnostic equipment and hands-on physical therapies. Our caseload is varied, and we are currently increasing our focus to include a specialist biomechanics clinic, in line with our partnership with the Wide Bay Academy of Sports.

We are offering:

- ✓ **Above award** for new and experienced graduates + **incentive bonuses** + super + uniform allowance.
- ✓ **Paid Association Fees** + Indemnity Insurance.
- ✓ **Flexible working hours** and conditions.
- ✓ Paid Special Interest or National **conferences**.
- ✓ Graduate **mentoring** from Masters qualified sports medicine clinicians.
- ✓ Relocation and **accommodation** assistance.
- ✓ Education and workshops for immediate **upskilling**.
- ✓ **Paid post graduate** study in an approved field for long time loyalty,
- ✓ The opportunity to enjoy the sub-tropical lifestyle and health benefits associated with affordable living.
